The entity must designate one individual or family who will have the right to use the membership. The designated individual or family may not be changed, except

the entity may change the designated user to the designated user's spouse upon the death of the designated user, subject to approval of the spouse as a designated user. The designated user must submit an Application for Membership and will be subject to the approval of the Club. The designated user must be a bona fide director, officer, partner, shareholder or employee of the entity, or a beneficiary, trustee or settler of the entity if the membership is held in the name of a trust, and must pay the required dues, fees and charges. ## **WAITING LIST**

If a person desires to acquire a membership in a particular category and a membership is not available in that category, the Club will establish a waiting list. Resigned memberships will be offered to persons on a waiting list in accordance with the following order of priorities:

First, to existing members of the Club who desire to upgrade to a higher category of membership; and

Second, to all other persons who desire a membership in the Club.

## **UPGRADE OF MEMBERSHIP**

Members who have paid a membership initiation fee for their membership may upgrade to a higher category of membership, in the sole discretion of the Club, if the higher category of membership is then available. In order to upgrade, the member shall pay to the Club the difference between the membership initiation fee previously paid by the member for the lower category of membership and the membership initiation fee then charged for the higher category of membership.

Members who have not paid a membership initiation fee may only upgrade to a Golf Membership in the sole discretion of the Club, if available, by paying the difference between the amount of the membership initiation fee that's required for a Golf Membership and the amount paid for the member's membership. The Golf Membership initiation fee shall be non-refundable in the same manner as provided herein for those members who have paid a membership initiation fee for their Golf Membership.

## **USE OF THE CLUB FACILITIES BY GUESTS**

Members are entitled to have day guests and houseguests use the Club Facilities in accordance with the privileges granted by the member's category of membership. All guests using the Club Facilities must comply with the Rules and Regulations as the same are amended from time to time. Guests may be restricted as to the number of times a particular guest may use the Club Facilities during a membership year. All guests shall be required to pay the applicable guest fees and charges.

## **APPLICATIONS MUST BE MAILED OR DELIVERED TO MEMBERSHIP DIRECTOR**

All applicants must complete and execute an Application for Membership and deliver it to the Club, along with a check for required membership joining fee. Applications for Membership are available at the Membership Office.

Completed Applications for Membership will be reviewed and acted upon in the sole and absolute discretion of the Club. If the Club accepts the applicant, the Club will send the applicant notification of acceptance. ## **TAX CONSEQUENCES OF ACQUIRING A MEMBERSHIP**

The Club makes no representations and expresses no opinions regarding the federal, state or local income tax consequences of acquiring a membership or with respect to any membership initiation fee paid to the Club. All persons acquire their membership subject to all applicable tax laws, as the same may be amended from time to time. Accordingly, members should consult with their own tax advisors with respect to the tax consequences of any membership initiation fees.

## **DUES AND CHARGES**

### **MEMBERSHIP YEAR**

Dues are payable monthly in advance on or before the first day of each month during the membership year. The current dues for use of Club Facilities are set forth in the Schedule of Dues and Charges. The amount of all dues, fees, charges and minimums is subject to change from time to time by the Club.

The payment of dues will not be abated for any reason including, without limitation, temporary disability. Upon termination of a membership there shall be no dues refund.

Resigned Members will be obligated to pay dues until the effective date of resignation. Notwithstanding any resignation or termination of membership, the member and member's spouse shall remain liable for any amounts unpaid to the Club.

Except for payment of the membership initiation fee, dues, fees, charges and minimums established by the Club from time to time, members shall not be subject to any liability for capital or operating assessments for the costs and expenses of ownership or operation of the Club Facilities. The Club will pay all operating deficits incurred in the operation of the Club Facilities and will retain all operating revenues resulting from the operation of the Club Facilities.

## **FINANCIAL RESPONSIBILITY**

Each member shall be legally and financially responsible for his acts or omissions as well as those of the member's immediate family and guests. If a membership is issued in the name of a husband and wife, notice to the Club of termination of marriage or cohabitation shall not discharge either spouse from liability for subsequent dues, fees and other charges and liabilities unless the notice is coupled with the resignation of one of the spouses.

## **RESIGNATION AND TRANSFER OF MEMBERSHIP**

### **RESIGNATION OF MEMBERSHIP ONLY TO THE CLUB**

Members may resign their membership only to the Club and must give the Club written notice of resignation. Resignation shall become effective the end of the month following the month in which resignation is tendered. A resigned member will not have use of the Club Facilities after the effective date of resignation unless the resigned member is

obligated to continue paying dues, in which case, the resigned member can continue to use the Club Facilities provided all dues, fees, charges and minimums are timely paid.

The Club may, in its sole and absolute discretion, but is not obligated to, repurchase a resigned membership on any terms which are mutually agreeable to the Club and the resigned member.

## **TRANSFER OF MEMBERSHIP UPON DEATH**

In the event of a member's death, the membership shall pass to surviving spouse, if any. In the event there is no surviving spouse or the surviving spouse does not desire to continue the membership privileges, the membership shall be deemed resigned.

## **TRANSFER UPON DIVORCE**

In the event of the divorce or separation of spouses having membership privileges, the membership, including all of its rights and benefits, shall vest in the spouse awarded the membership by an agreement of separation or a decree of divorce. Upon termination of cohabitation, the spouses shall temporarily designate the person who shall be entitled to membership privileges.

## **OTHER MEMBERSHIPS AND USE PRIVILEGES**

### **DOWNGRADE OF MEMBERSHIP**

Upon receipt of written request of a member in good standing, the Club may allow Members to downgrade their membership to another category. No portion of the initiation fee paid for the membership shall be refunded upon downgrading.

Once a member has downgraded his or her membership to another category, the member will not be allowed to change his or her membership category for at least one year thereafter. Any request for reinstatement to previous category prior to the expiration of 12 months is subject to back dues at the original membership rate. Reinstatement to previous member category shall be subject to availability of desired membership. Downgraded Members desiring to upgrade to a golf membership will be placed at the top of any waiting list for membership.

### **OTHER USERS**
